

ENVIRONMENTAL HAZARD

Mrs Doris Blake, 72

Hamish enjoys his walkies. Doris always takes him through the park, past the school and the library. And Hamish does his business in the park, outside the school and in front of the library.

Doris doesn't see why she should pick it up. She's had dogs since she was a girl and no one picked up after their dog in the old days – so why should she start now.

Don't be like Doris.

Ensure your dog does not foul our public spaces. Always pick up after your dog and if possible dispose of the waste in an appropriate bin.
