

Guardian Witness

Share a photo of the best movie theatre in your area and tell us in about 100 words why you love it. We'll create a gallery of the best cinemas on the Guardian site.

Phoenix Picturehouse in Oxford – your favourite cinema?

What makes a great cinema? A varied programme? Comfortable seating? Attractive decor? Polite and dedicated staff?

For the last couple of years readers have been telling us about their favourite cinemas for our Cine-files series – and we'd like to hear about more film theatres, wherever they are in the world.

In the first ever Guardian Film Awards, we're asking readers to vote for their favourite cinema – and we'd also like to see pictures of the ones you love the most. Send us your cinema photos and include as much information about the venue as you can – website, description and everything else you can think of. We'll feature the best in an online gallery.
